

April News From Room Cc

Spring is here! We will be spending more time outdoors as the weather gets nicer! Please bring in light coats or hoodies, if needed, and make sure to label them with your child's name.

During the month of April, we will be talking about horses, cows, and pigs. Some of the things we will learn about include: what they look like, where they live, what they eat, and more. We will also be starting our "All About Me" unit this month.

We have some great songs in store for this month as well! We can't wait to sing them with the children. We will be singing: Old McDonald had a Farm, I Know an Old Lady Who Swallowed a Fly, 5 Pink Pigs, and many more! We will also read many books related to animals. The children love to listen to the stories!

Thank you,

Room Cc Teachers
